### CERTIFICATE FOR HEALTH AND SANITATION

This is to certify that Sushila Educational Institute is situated at Ranti in Madhubani District of Bihar. I have personally visited to this institute and found the health and sanitary condition of this institute is satisfactory. This institute contains 21 rooms with attached Baramdah. The size of the room is approximately 20' x 25' and well ventilated by numbers of windows. Seven rooms of size 12' x 15' with attached baramdah is also well ventilated. Two big hall of size 12' x 15' with attached baramdah is also ventilated. There are 16 sanitary latrines, four bathrooms, two urinals are well ventilated and found in good sanitary condition. There is a beautiful playground & beautiful garden just in front of institute. Area of the playground has acquired about 1½ acres land. The surrounding environment of this institute is also beautiful & fareway from the market complex and noisy environment. There are so many trees are planted at the boundary of the playground.

I consider, this institute is a healthy for the education of the students on sanitary and environmental ground.

I wish this institute success in future.
